

Curriculum vitae

Federica Napolitani Cheyne

Education

Graduated from the University of Rome La Sapienza, 1987 with an Honours in Modern Languages and Literature.

Work experience

From 1985 I am employed by the Istituto Superiore di Sanità (Italian National Institute of Health, Rome, Italy) and work in the Science Communication Service (formerly Publishing Unit).

I gained experience and knowledge through the publication of the Institute's official journal and collaborating with other international journals, associations and projects.

In 2008 I was invited to work as visiting expert in the David Lubin Memorial Library of the Food and Agriculture Organization of the United Nations in Rome, Italy, with a study and research leave from ISS.

At present my role involves the following:

- Assistant Editor and Editorial coordinator of the science journal *Annali dell'Istituto Superiore di Sanità*
- Editor of the "Book reviews, notes and comments" section on *Annali*
- Editorial coordinator of the ISS series "I beni storico-scientifici dell'Istituto Superiore di Sanità"
- Editor in Chief of the Journal of the European Association of Health Information and Libraries (JEAHIL);
- Member of the Advisory Editorial Board of Health Information and Library Journal (HILJ);
- Member of the Commissione di Sorveglianza sugli Archivi ISS (ISS Archives Commission);
- Member of the Italian Library Association (AIB):
- Coordinator of the ISS group for the cataloguing and management of the collection of scientific instruments owned by ISS
- Member of the Executive Board of EAHIL.

Also, in the past

- Member of the Advisory Board of the RARE Diseases and Orphan Drugs Journal, an International Journal of Public Health;
- Elected Council Member of EAHIL for Italy;

- Member of the Journal Editors Subgroup for Bioresource Research Impact Factor (BRIF);
- Study Group for an Italian Bioethics Thesaurus (published in 2006).
- International evaluation committee for oral presentations at EAHIL conference in Cracow (2007)
- International Programme Committee for the scientific programme of the EAHIL Workshop, Istanbul, Turkey, 2011
- exhibitions at ISS of scientific instruments of historical significance and in 2022 contribution to "La scienza di Roma" Palazzo delle Esposizioni, Rome
- Scientific responsible for the project ISS/MiBAC (Italian Ministry of Culture) for the cataloguing of works of art owned by ISS (2010-2012).
- Collaborated to the Necobelac European project, and JAHEE project
- Was a Tutor for graduates from University Roma Tre and gave lessons and courses on science editing and communication at the University of Rome, and elsewhere (ISS distance learning)
- About 100 publications in the ISS repository (<https://orcid.org/0000-0002-1626-3468>)
